

PROGRAMS RUN BY GOULBURN HIGH SCHOOL

SCHOLARSHIP PROGRAM

At Goulburn High School, we encourage and support all students to aspire, achieve and succeed. One way we will do this for our Year 7 cohort is to make available a range of scholarships for students who show passion and dedication in aspects of the curriculum, leadership and extra-curricular activities. Students may apply for more than one scholarship.

HIGH POTENTIAL CLASS (HPC)

The High Potential Class is a class designed for the Gifted and Talented Students, focused on Academic Excellence. In this class, teachers promote engagement and challenge every student across intellectual, creative, socio-emotional and physical domains of potential while explicitly identifying and addressing the learning needs of high potential and gifted students.

HIGH ASPIRATIONS PROGRAM (HAP)

The High Aspirations Program is an elective program that provides students with the ability to further refine their skills in Agriculture, Dance, Drama, Music, Sport, Visual Arts and STEM.

All students enrolling in Year 7 at Goulburn High School may nominate an elective subject as part of our High Aspirations Program. The programs are practical, hands-on courses and cover a

wide array of student interests. With six options, including Agriculture, All Codes (Sports), Drama and Dance, Music Performance, STEM and Visual Arts, there is a High Aspirations Program to suit every student.
